INSTRUCTIONS TO CANDIDATE:

Officials **MUST** complete the Level 2 e-learning component **PRIOR** to beginning the Practical Proficiency Assessment at www.athletics.com.au OR www.littleathletics.com.au

It is the Candidate's responsibility to arrange with an appropriate Assessor at competitions for the Proficiency Assessment to be conducted.

It is **MANDATORY** that Candidates inform their Assessor they want to be assessed **PRIOR** to the start of competition to allow for a variety of roles to be undertaken and feedback provided on competency.

Details of any assessment **MUST** be completed on the Practical Card. The feedback column is for the Assessor to provide the Candidate with relevant and vital information on performance and how to improve.

The Practical Proficiency Assessment is to be completed within 3 years.

WHAT DOES THE PROFICIENCY ASSESSMENT INVOLVE?

Walks Proficiency Assessment differs from the other event groups as it covers only one event where the candidate is working totally independently, when as a walk judge.

Only ONE skill can be signed off during a session of at least TWO hours of Competition.
A total of 10 sessions must be completed, which includes a minimum of six walk judging sessions, at least two on track and two on road, AND a minimum of two as a Walk Recorder. The remaining two sessions can be made up of Red Card Collector, Posting Board Operator, Asst. CWJ or Walk Judge.

FINALLY, the Candidate must attend at least one WALK seminar and one seminar on the Roles and Responsibilities of the Officials.
